

Outbound Program

HSR Outbound For Scouts 14 – 18

GOT MERIT BADGES?

And want to spend your summer at HSR.

Sign up for outbound! Even with over 50 merit badges to choose from, some fourth and fifth year Campers at Hale Scout Reservation want to live the badges they have already learned.

Sunday following dinner, there will be a meeting of the Scouts in the Outbound to plan their week of activities. No two weeks may be alike, because the Scouts make their own schedule.

A sample of the activities include,

- Climbing either/or both on property and/or Robbers Cave
- White water on the Mountain Fork River
- Building your own cardboard vessel and navigate Lake Bohannon
- Outdoor cooking
- C.O.P.E. low and/or high
- Hiking overnight in the Winding Stair Mountains
- Black Powder and other mountain man skills

To participate in outbound there is a fee of \$25.00 in addition to the summer camp fee.

Outbound Program

The equipment list for outbound is no different than what you bring to as a regular camper.

Remember the Scouts will be making their own schedule so activities may vary!

**THIS PROGRAM IS FOR SCOUTS 14 YEARS OF AGE AND OLDER
NOT TAKING MERIT BADGES**
